Launch of New Dalton International Website and Safety Solutions

I'm delighted to let you know that, this week, we take another leap forward with the launch of our new website and expanded range of new safety solutions for businesses working with hazardous substances.

Not only does our new website better communicate our areas of specialty, it also showcases a wide extension of new products and solutions with one aim in mind; to prevent harm from hazardous substances to people and the environment. Here's a quick look at what's new:

The website's focus is on HAZCHEM STORAGE, HAZCHEM PPE, HAZCHEM RESPONSE, HAZCHEM SIGNAGE and HAZCHEM HELP HUB.

New HAZCHEM STORAGE solutions include:

- Quick Bund – PVC roll away temporary bunding
- Portable Containment Bunds (PCB) - made to order and delivered within three weeks
- Transport Segregation Units – Type I and II
- Outdoor DG Storage – Drums and IBCs
- Aerosol and Gas Cages – Safe storage of aerosols, LPG and gas cylinders

New HAZCHEM PPE solutions include:

- New half mask PAPR from Shigematsu
- New CleanAIR® PAPR and Airline respiratory range with hoods, helmets and accessories, coming soon

New HAZCHEM RESPONSE solutions include:

- Track matting - absorbs spills between train tracks
- Floating containment booms – fence booms and containment booms
- Expanded range of emergency showers and eyewashes including tempering valves and heat trace showers for colder environments
- New audio and visual alarms for emergency showers
- New decon tents - emergency decontamination tents and accessories

New HAZCHEM SIGNAGE solutions include:

- HAZCHEM site signage for entrances, buildings and tanks
- HAZCHEM emergency information signage for tanks and tank wagons
- HAZCHEM diamonds
- New SDS holders and site safety boxes suitable for outdoor environments

New HAZCHEM HELP HUB solutions include:

- HAZCHEM chemical handling training - COMING IN OCTOBER 2020.
- Dalton Academy Product Training - COMING IN OCTOBER 2020.
- Site Audit and Risk Assessments

Please take a moment to look around. We'd love your feedback, both good and bad, regarding the site so if you have any comments, please feel free to send them to sherazh@dilnz.co.nz

Over the coming months, we will work with our distributors on training your staff around the new solutions we have available, what needs they meet and how you can use our team of HAZCHEM experts to drive sales in your business and to help your customers meet their legal obligations under the hazardous substances regulations.

Yours sincerely
