Seamless thermal insulation glove liners, offering comfortable hand protection in cold, damp conditions

- **Advanced thermal protection:** ActivArm® industrial glove liners offer thermal insulation for cold weather, protecting hands and keeping them warmer in cold, damp conditions
- **Elevated comfort:** Thanks to automatic knit technology and a breathable polyester liner, they confidently ensure longer, more comfortable wear
- **Genuine practicality:** Ideal protective gloves, ActivArm® 78-150 seamless glove liners guard against workplace injuries, while their ambidextrous nature means they can be conveniently worn on either hand
- **Certified cold resistance:** They also satisfy EN 511-010 contact cold standards, for dependable personal protection in cold, damp conditions
- **Food handling compliance:** As they are FDA-approved food handling gloves, they are suitable glove liners for food processing industries

Industries

- Automotive
- Automotive Aftermarket
- Food Processing
- Machinery and Equipment
- Metal fabrication

Applications

- Inspection, selecting, checking parts
- Delivery of parts to production line
- Production line support & maintenance
- General Purpose Auto Aftermarket
- Body painting including surface inspection
- Storing packed meats
- Storing bottles and cans
- Storing of raw materials
