

OIL & FUEL SPILL KITS

PRODUCT CODE: **SK025** | **SK050** | **SK0120** | **SK0240**

KEY FEATURES AND BENEFITS

- **Hydrocarbon-Specific Absorbency:** Oleophilic and hydrophobic sorbents which soak up oils and fuels, but not water.
- **Effective in Wet Environments:** Ideal for outdoor, marine, and stormwater protection scenarios.
- **Range of Sizes:** From vehicle kits to high-capacity wheelie bins.
- **All-In-One Solution:** Includes absorbents, PPE, waste disposal bags, and clear instructions.
- **Portable & Practical:** Carry bags for mobile crews, wheelie bins for industrial and site use.
- **Compliance Support:** Assists workplaces in meeting spill preparedness requirements under NZ health and safety standards.

KIT CONTENTS

Contents for each kit can be found on our website.

Kit contents can also be **customised to suit your needs.**

TARGETED RESPONSE FOR OIL AND FUEL SPILLS

The SpillTech Oil & Fuel Spill Kit range is purpose-built to handle hydrocarbon spills, including diesel, petrol, oil, and other petroleum products. The absorbents in these kits are oleophilic and hydrophobic, meaning they selectively absorb oils and fuels while repelling water. This makes them perfect for outdoor and marine environments, where water contamination is a risk.

These kits ensure fast, effective response to oil and fuel incidents across vehicles, workshops, refuelling zones, and large industrial sites.

AREAS OF APPLICATION

- Transport fleets and service vehicles
- Marine and ports
- Refuelling areas and service stations
- Warehouses and workshops
- Large industrial sites
- Environmental protection

THE RANGE AT A GLANCE

KIT SIZE	PACKAGING	ABSORBENCY	EXAMPLES OF USE
25L	Slimline waterproof carry bag	Up to 25L	Vehicles, marine craft, mobile service crews
50L	Slimline waterproof carry bag	Up to 50L	Workshops, refuelling vehicles, contractors
120L	Heavy-duty wheelie bin	Up to 120L	Warehouses, transport depots, service stations
240L	Heavy-duty wheelie bin	Up to 240L	Industrial sites, ports, marinas, bulk storage areas

SK025 (25L)

SK050 (50L)

SK0120 (120L)

SK0240 (240L)
