BE READY. STAY COMPLIANT. RESPOND FAST.

From small vehicle spills to large industrial accidents, SpillTech Spill Kits give you the right tools to contain, absorb, and clean up almost any liquid hazard.

With four kit types, Universal, Chemical, Oil & Fuel, and General Purpose, and a variety of sizes, SpillTech spill kits have a solution for every workplace.

AREAS OF APPLICATION

- On the road - trade vehicles, fleets, and service crews.
- Workshops and garages - leaks from machinery, oils, and coolants.
- Warehouses and factories - general site spill preparedness.
- Chemical handling sites - Storage areas, processing plants, and labs.
- Marine and refuelling zones - ports, marinas, service stations, bulk fuel sites.
- Anywhere that is vulnerable to spill accidents!

WHY CHOOSE SPILLTECH SPILL KITS?

Trusted across New Zealand industries, SpillTech Spill Kits give you complete, compliant, and ready-to-deploy spill response solutions - no matter the liquid, no matter the site. Spill kit contents are also customisable to your needs.
